

University of Cape Town, Department of Computer Science
Masters by Coursework and Dissertation 2019
Departmental Application Form

Submit the completed form, together with an abbreviated CV (at most one page), a short statement of your research interests (at most one page), and a full academic record, including all tertiary results (in English), to the Postgraduate Course Coordinator (pgcoordinator@cs.uct.ac.za) by 31 October, 2018. If you have a foreign degree, also include SAQA certification (<http://www.saqa.org.za>), or evidence of NQF rating.

All the information should be submitted as a **SINGLE** PDF document.

You must also apply separately to UCT's central application system (by 31 October, 2018).

Please Note:

Space is limited and **admission to the programme is competitive and not guaranteed**. Admission is primarily on the basis of academic results. Notification of acceptance will be by early December 2018.

The degree starts on **11 February 2019**. *Please make accommodation plans accordingly.*

Foreign students should ensure that they obtain a South African study visa on time.
