MSDN Academic Alliance Software Program Agreement

Department of Computer Science, University of Cape Town

By signing this document (electronically) you agree to all the terms and conditions laid down below and the terms and conditions stated on the MSDN Academic Alliance program Web Site, available at http://www.msdnaa.net. Links to the **Terms and conditions** are available at this URL http://www.cs.uct.ac.za/msdnaa .

By installing or otherwise using the product, you agree to be bound by the terms of the **EULA** and License Amendments.

1. The software may be copied unto a single computer systems, the computer system may not be a server that other computer systems have access to over a network.
2. The software may not be duplicated in any form; this includes the copying the contents of the CD onto your hard drive.
3. The software may not be used in a production environment. The software is solely meant for teaching and training purpose only.
4. Some of the software may require a "Product Key", this key is for your use only and may not be disclosed to anyone else.
5. When you are longer a registered student in a department that is a member of the MSDN Academic Alliance Program you may continue to use the software on your computer system as long as you adhere to the program guidelines. You will not receive further updates.
6. Software CDs that are loaned to you must be returned by the next working day, in the same condition, failing which, access to Computer Science laboratories will be disabled.
7. The fee attached to borrowing a CD is R10.00 and it is not refundable. An exact fee for this software is preferred. If the product you require has a total of 5 CDs the cost will be R50.00. This fee will apply each time the software is required by you. If the software CD is lost, the cost will be the current market value of the product or less than R250.00 per product. These costs are subject to change as and when deemed necessary by the Department of Computer Science.
8. The availability of software is strictly limited to students registered for courses and staff within the Department of Computer Science. You are required to complete all details required herein before any software is loaned to you. The Department of Computer Science will retain all agreements forms for the purpose of reference and to satisfy terms of the MSDNAA program.
9. Lending of software is limited to one product per student per day, unless the software product is required to be issued as a set.
10. It is the responsibility of the borrower to determine the compatibility of the software, before installing it onto their computer system. The University of Cape Town, Science Faculty or the Department of Computer Science cannot be held liable for any damage and / or data loss caused by the installation of any software offered through the MSDNAA program. You are required to visit / consult the Microsoft compatibility website at http://www.microsoft.com/hcl/default.asp.
11. If you are found to be in violation of any of the conditions stated above or on the MSDNAA website you will lose all the privileges associated with this agreement. You will also need to provide proof that all software that was installed on your PC is removed.
12. Please complete this form online and send it to help@cs.uct.ac.za.
